

Christmas List

Thank you for contributing to meet the needs of the Joshua Project kids.

Christmas is meant to be a time of fun and rejoicing as we celebrate the birth of our Savior. Unfortunately for many that we serve the winter months bring increased hardships, sickness and a lack of resources. While we deliver the Christmas bags we have seen how God can bring great hope in the darkest of times. Over the past several years we have asked for help to be able to provide a simple gift bag that can be taken to the poorest and sick people in our area. We also provide a food package to families, which we buy in Romania, each food package is for a family and costs \$45.

If you, your family, life group, Sunday school class or Church would be willing to help make this outreach possible please contact-

In the USA

Linda Inglis [281-480-4566](tel:281-480-4566)
